The secret of Listelo skin's success lies in the possibility of beautifying the building by working in harmony with the environment.

The noble and natural materials of its composition, which are non-toxic and do not emit harmful substances into the environment, merge with the innovative technology of avant-garde facades, providing the perfect balance between aesthetics and functionality with exceptional benefits.

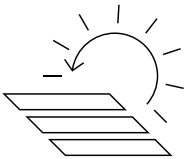

El secreto del éxito de Listelo skin reside en la posibilidad de embellecer al edificio trabajando en armonía con el entorno.

Los materiales nobles y naturales de su composición, que no son tóxicos ni emiten sustancias dañinas al medio ambiente, se fusionan con la tecnología innovadora de las fachadas vanguardistas, brindando el equilibrio perfecto entre estética y funcionalidad con beneficios excepcionales.

SUSTAINABILITY · SOSTENIBILIDAD

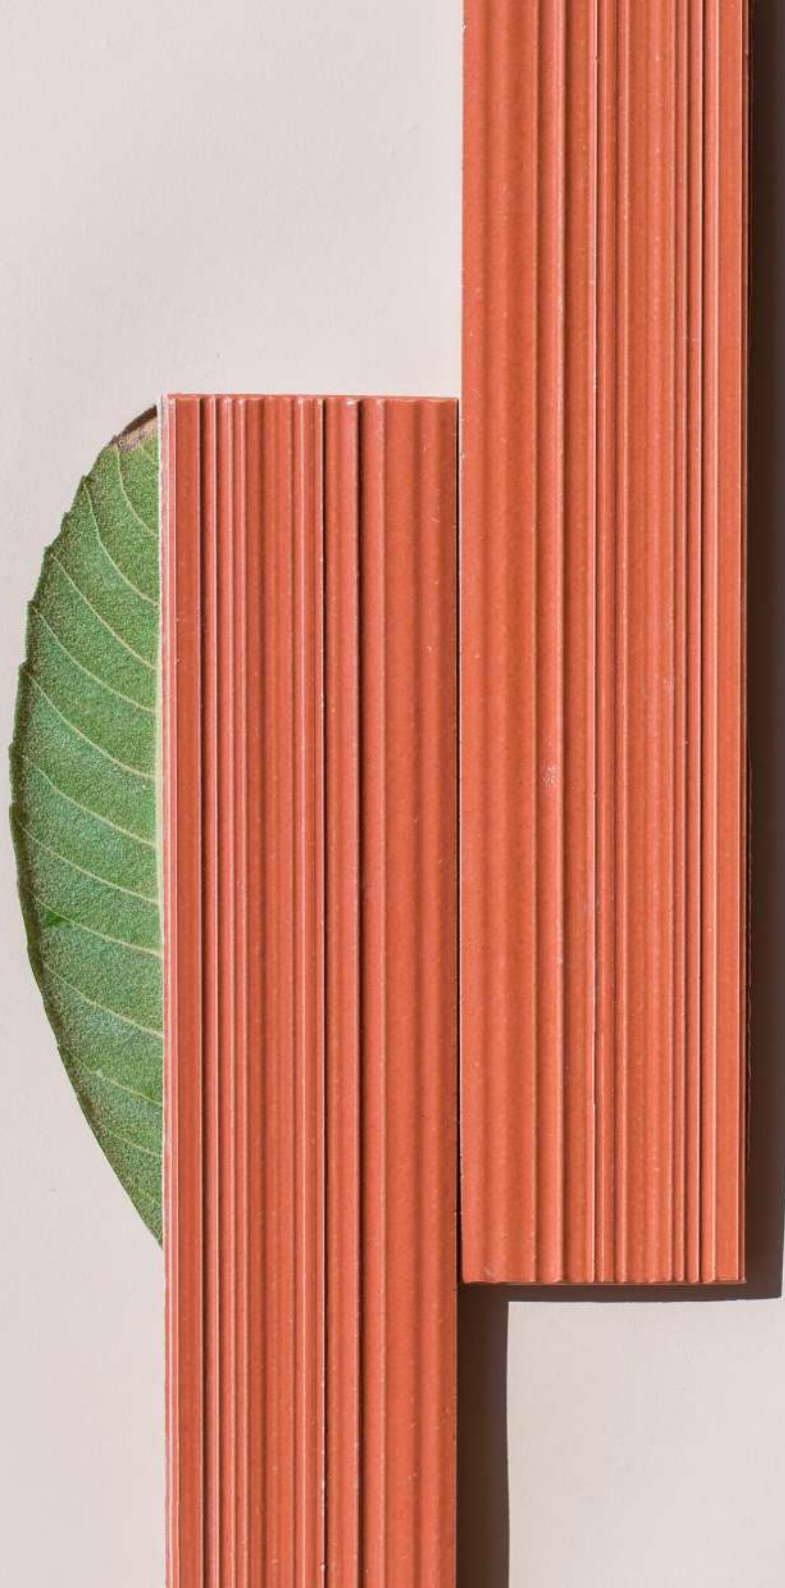

We recycle 100% of the waste generated
Reciclamos el 100% de los desperdicios generados

We reduce CO₂ emissions by using solar energy
Reducimos las emisiones de CO₂ empleando energía solar

We reuse 100% of the water during the production process
Reutilizamos el 100% del agua durante el proceso de producción

SHAPES · FORMAS

THE SHAPE · LA FORMA

The elegant variety of shapes offered by Listelo skin brings modernity and naturalness to the building and the freedom to combine the shape and colour of your choice, giving an avant-garde yet traditional look to the building's façade and interior spaces.

The versatility of Listelo skin makes it a flexible option that allows you to play with contrasting shapes or choose a piece that harmonises with the rest of the materials, creating a cohesive and attractive aesthetic while maintaining durability and ease of maintenance.

Listelo skin offers a unique opportunity to add style, personality and definition to the façade of a building or interior and exterior spaces. Their versatility, durability and customisability make them a popular design choice as they allow for great creative freedom.

La elegante variedad de formas que ofrece Listelo skin aporta modernidad y naturalidad al edificio y la libertad de combinar la forma y el color que desee confiriendo un aspecto vanguardista a la vez que tradicional a la fachada del edificio y a los espacios interiores.

La versatilidad de Listelo skin lo convierte en una opción flexible que permite jugar con formas que contrasten o elegir una pieza que armonice con el resto de los materiales, creando una estética cohesionada y atractiva, manteniendo la durabilidad y la facilidad de mantenimiento.

Listelo skin ofrece una oportunidad única para agregar estilo, personalidad y definición a la fachada de un edificio o espacios interiores y exteriores. Su versatilidad, durabilidad y capacidad de personalización hacen de ellos una elección popular de diseño al permitir una gran libertad creativa.

The transformative potential of Listelo skin lies in the multitude of shapes and colours it offers.

Tempio has a wide range of colours already developed specifically for Listelo skin which are tested in our laboratory, produced and finally checked for colour consistency.

In the case of new or special colours they go through an additional process of being developed in our laboratory, a crucial moment where we will work with you to achieve the desired colour.

Take inspiration from our colour collections or create a new one and start shaping your project.

El potencial transformador de Listelo skin consiste en la multitud de formas y colores que ofrece.

Tempio tiene una amplia gama de colores ya desarrollados específicamente para Listelo skin que son comprobados en nuestro laboratorio, producidos y, finalmente, revisados para comprobar la consistencia del color.

En el caso de los colores nuevos o especiales pasan antes por un proceso adicional, el de ser desarrollados en nuestro laboratorio, un momento crucial en el que trabajaremos con usted para lograr el color deseado.

Inspírate en nuestras colecciones de colores o crea uno nuevo y empieza a dar forma a tu proyecto.
