WORK DISPLAY BROCHURE
CATÁLOGO DE MATERIAL PROMOCIONAL

The background image shows a modern, multi-story building with a distinctive architectural style. The building features a facade composed of vertical wooden slats, which are part of a ventilated system. It has several balconies with glass railings and a curved, cantilevered upper section. To the left of the building, a large palm tree with long, feathery fronds is visible. The entire scene is set against a clear, light blue sky. The text "WE ARE FAÇADES" is centered over the image in a bold, black, sans-serif font.
